\$50 deposit (cash/check) due with rental, cash returned or check destroyed post rental verification for lights, damage, clean up of gym. For recurring rentals, \$50 check can be held for 90 days, then replaced for stale date. Teams supply own balls and protection.

Payments due at least 24 hours before use. If cancellation by renter inside 24 hours, renter forfeits fee outside of cancellation for Covid related illness. Team will not be allowed to re-rent for 10 days from last exposure. Rainouts called by Ruritans will be rescheduled or refunded. Practices rained out in progress will be adjusted by Ruritans as needed.

All renters must complete the rental usage forms located on the web page, as well as the team COVID-19 roster and submit all forms with copy of team insurance. New paperwork must be completed after Jan 1 and start of new travel season 8/1, annually. Ball field renters may be able to transfer rental to the building if rain. That must be approved by Ruritans and is based on availability.

Any lights left on in the gym, ball field, damage to the facility/field, or excessive trash could result in forfeiture of deposit and forfeited future use. Please police each other and make sure you pick up the trash before leaving. Check the net/field before and after each use and make sure you report any damage to the club ASAP. No parking in the grass or near the concessions. Concession parking for tagged handicapped vehicles only!

Please make sure you exit the building/field as soon after your rental as possible. This will keep crowd size down. Do not access the building/field more than 5-10 minutes before your time slot to allow exiting team time to clean up and vacate. Make sure you replace the key and lock up. You will be notified if you are the last team to use the gym/field. Last team will be responsible for turning off the lights and floor fans (gym) if used. Do not turn off gym lobby/restroom lights at the breaker. Use the light switch in the hall and individual restrooms. Please make sure your team has hand sanitizer and paper/cleaner for your team needs. During the colder months, the gym will only be 10 degrees warmer than the outside. DRESS WARM! Our heater use is EXPENSIVE! Use of the meeting room is an additional fee and the restroom there is not to be used unless the meeting room is rented.
